Last Word From the Prez

What a tremendous 2026 golf season, the course was in great shape all year, the weather was pleasant throughout, and fun was had by all! First I'd like to thank each of you PMGA members, you made this year so much fun and tremendously competitive. The MGA added 45 new members this year and we continue to grow. Our Wednesday Night League was competitive as ever and the most fun than it has ever been. Each of our PMGA tourneys were packed, with over $5000 in prizes given out through the year. Special thanks goes out to our GM Rob Brock and staff for the partnership and support throughout the year. I'm especially proud of the PMGA Board for their drive and commitment, thanks fellas for a wonderful season. ***JD, Prez***

The Brigade Wins the 2026 Piedmont Cup!

What a Piedmont Cup!

5 points were the difference in ensuring the Army's flag was taken down and put in the closet. The Brigade clipped their opponents **59 ½** to **54 ½** to claim the annual Piedmont Cup, in a fiercely contested two-day event. Both teams battled back and forth over two sun drenched days on a challenging Piedmont course that could only be described as being in spectacular shape. In the end the studs of the Brigade prevailed. *Come on 2027!*

2026 Season Ending Shamble Sponsored by Fenway Financial

The season ending PMGA tournament was the annual two-man shamble, sponsored Song Park and the Fenway Financial Group, LLC. The shamble format is always a great time and gives everyone a chance to lean on their partner, this year was no exception, and we had plenty of fireworks. Trailing by 5 shots Donny Buckingham and Tom Jones played the last five holes in 6 under to snatch victory out of the hands of John Durastanti and Cory Proctor.
