A Word from the Prez

What a phenomenal year this year for our MGA! We are approaching 90 players for the July 11th event sponsored by Chad Hess and Sky Edge Systems. WNL is humming along and our yearlong and birdie challenge leaderboards are up and running in GGID. Many thanks to our sponsors, the board, Jack, Scott Lee and Commish JT.

I want to thank Nick Pincket and wish him the best. Congratulations on the promotion to the Director of Golf at DVCC. Nick plans to get us through M/M before departing across the street. Finally, as we approach M/M, I'd like to thank and recognize our former Prez and head of the committee, Jeff Powers. They are doing a phenomenal job! **JD, Prez**

PMGA 2026 Tourney season is in full swing!

Mid-Season Note From Your PMGA Board

In February 2026 we accepted our roles as PMGA board members with one goal in mind, make the PMGA membership experience the best any member could ever expect. We're pleased to report that we've hit our stride! Our membership numbers have grown, the turnout for our Wednesday Night League has increased each week, and so has the competition, camaraderie, and overall enjoyment. Our members have raved about the improved communications, the coveted gold medal for the WNL flight winners, and the commitment of our sponsors. We have approached every meeting and initiative with one thing in mind – making your PMGA the best and we do it for you! **Your 2026 PMGA Board**
